FOR IMMEDIATE RELEASE

CE3S Partners with Nordson EFD to Deliver Advanced Fluid Dispensing Solutions

HARRISBURG, PA — April 2025 — Cumberland Electronics Strategic Supply Solutions (CE3S), your strategic sourcing, professional solutions and distribution partner, is proud to highlight its partnership with Nordson EFD, a global leader in precision fluid dispensing systems.

Through this collaboration, CE3S provides its customers with high-performance dispensing equipment, consumables, and application expertise from one of the industry's most respected brands. Via productionsupplystore.com and through CE3S' solutions, CE3S offers a full range of Nordson EFD dispensing solutions to support customers across diverse industries—from electronics assembly to medical device manufacturing and automotive production.

"We're excited to continue offering Nordson EFD products as part of our portfolio," said Jeremy Wagner, President and CEO at CE3S. "Their technology is trusted by manufacturers worldwide for precision, repeatability, and ease of use—making it a perfect fit for our customers who demand reliability on the production floor."

CE3S customers can conveniently access Nordson EFD's full offering, including:

- Precision dispensing valves and controllers
- Syringe systems, cartridges, and dispensing tips
- Benchtop dispensers and automation-compatible systems
- Accessories and replacement parts for streamlined maintenance

The partnership also includes CE3S' highest level of customer support and access to experts who are trained to assist with product selection, process optimization, and customized dispensing setups.

For more information about Nordson EFD, or CE3S and its strategic sourcing, professional solutions, and distribution services, visit www.ce3s.com.
