**FOR IMMEDIATE RELEASE**

## **NEOTech Recognized by Northrop Grumman with Supplier Excellence Award**

**CHATSWORTH, CA – March 19, 2025** – Northrop Grumman Corporation (NYSE:NOC) has recognized NEOTech as one of its top supplier partners during the company’s Supplier Excellence Awards.

“NEOTech has supported Northrop Grumman in delivering technologies that enhance national security for the U.S. and our allies,” said Ken Brown, vice president, enterprise global supply chain, Northrop Grumman. “The high-quality performance, dedication and partnership of our supplier teams drive operational excellence to ensure warfighters have next generation advantages in advanced weapons, aircraft, missile defense and space.”

Recognized for Performance Excellence, NEOTech is instrumental in supporting Northrop Grumman with delivering innovative and cost-effective military and security solutions to give its customers the advantage in a complex world.

“Receiving Northrop Grumman’s Supplier Excellence Award for Performance Excellence is a tremendous achievement for the entire NEOTech organization, and we are honored to be recognized,” said Jon Good, NEOTech Longmont General Manager. “This prestigious award from one of the nation’s leading Aerospace & Defense OEMs reflects years of continuous improvement and dedication across all NEOTech teams to deliver the high-quality, high-reliability products our
